**Who's That Knocking on Christmas Eve?** Jan Brett, 2002-09-23 Every year, trolls knock down Kyri's door and gobble up her Christmas feast. But this year, the trolls are in for a surprise: a boy and his pet ice bear on their way to Oslo have come in from the cold. And once the ice bear is finished with the trolls, you can bet they won't come knocking next Christmas Eve! Once again, Jan Brett creates an original Christmas story full of warmth and magic. Featuring beautiful borders, intricate illustrations, and a stunning display of the Northern Lights, *Who's That Knocking on Christmas Eve?* will rightfully take its place among Jan's Christmas favorites with the whole family.

[Art Workshop for Children](#) Barbara Rucci, Betsy McKenna, 2016-11-01 *Art Workshop for Children* is not just another book of straightforward art projects. The book's unique child-led approach provides a framework for cultivating creative thinking and encourages the wonder that comes when children are allowed to freely explore the creative process and their materials. As children work through these open-ended workshops, adults are guided on how to be facilitators who provide questions, encourage deep thinking, and help spark an excitement for discovery. Children explore basic materials and workshops that use minimal supplies, and then gradually add new materials to fill the art cabinets as well as new skills and more complex workshops. Most workshops are suitable to preschool-aged children, and each contains ideas for explorations and new twists to engage older or more experienced artists. Interspersed throughout are sidebar essays that introduce perspectives on mess-making, imperfection, the role of adult, collaborative art, and thoughts on the Reggio Emilia method, a self-guided teaching philosophy. These pieces underscore the value of art-making with children, and support the parent/teacher/care-giver on how to successfully lead, question, and navigate their children through the workshops to result in the fullest experiences.

**Hands Free Mama** Rachel Macy Stafford,2014-01-07 Discover the power, joy, and love of living a present, authentic, and intentional life despite a world full of distractions. If technology is the new addiction, then multitasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. Special education teacher, New York Times bestselling author, and mother Rachel Macy Stafford says enough is enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. Finding balance doesn't mean giving up all technology forever. And it doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. In these pages, Rachel guides you through how to: Acknowledge the cost of your distraction Make purposeful connection with your family Give your kids the gift of your undivided attention Silence your inner critic Let go of

the guilt from past mistakes And move forward with compassion and gratefulness So join Rachel and go hands-free. Discover what happens when you choose to open your heart--and your hands--to the possibilities of each God-given moment.

Four Seasons of Travel National Geographic Society (U.S.), National Geographic, 2013 Building on the success of National Geographic's Journeys of a Lifetime series, a sumptuously photographed, detailed tour of hundreds of the world's most alluring locations and activities is seasonally organized to profile everything from the cherry-blossom temples of Kyoto to Rockefeller Center's ice-skating rink.

**Messy Minimalism** Rachelle Crawford, 2021-12-07 Think minimalism means a perfectly curated, always tidy home? Think again. Drowning in tides of toys, overflowing closets, and a crazy schedule, Rachelle Crawford assumed you had to be naturally organized to keep a tidy living space. Then she found minimalism: the messy, real-life kind, that is less about perfection and more about purpose. Thus began a journey toward decluttering her home, calendar, and soul. With empathy, grace, and humor, Crawford--who curates the popular Abundant Life with Less site--shares doable ways to own less and live more fully. Laying out practical strategies for reducing waste, curbing consumption, decluttering, and finding lots more joy, Crawford offers no-nonsense solutions for the rest of us. Learn to become a more conscious consumer, create a capsule wardrobe, inspire family members to join you, free up more time for the things that matter, and create a tidy(ish) home. The messy minimalist way is a no-judgment zone, one in which we learn sustainable habits and grace-based practices. It's about living lightly on the earth and making room for purpose. Becoming a messy minimalist is not about turning into someone else; it's about clearing away clutter and expectations to unearth who you really are. It's about carrying fewer things so that we find ourselves holding onto what truly matters.

*Straight Life* Art Pepper, Laurie Pepper, 2024-09-17 Art Pepper (1925-1982) was called the greatest alto saxophonist of the post-Charlie Parker generation. This edition is updated with an extensive afterword by Laurie Pepper covering Art Pepper's last years, and a complete and up-to-date discography by Todd Selbert.

**Going Home** Harriet Evans, 2006-10-10 A heartwarming and moving novel of family and love from the international bestselling author of the "effortless and deeply satisfying" (*Glamour*, UK) *Love Always*. They say love feels like going home...but what if your home is no longer there? Leaving her tiny flat in London—and a whole host of headaches behind—Lizzy Walter is making the familiar journey back home to spend Christmas with her chaotic but big-hearted family. In an ever-changing world, her parents' country home, Keeper House, is the one constant. But behind the mistletoe and mince pies, family secrets and rivalries lurk. And when David, the Love of Her Life—or so she thought—makes an unexpected reappearance, this one ranks as a Christmas she would definitely rather forget. As winter slowly turns to spring, all the things that Lizzy has taken for granted begin to shift. Keeper House is in jeopardy and might have to be sold for reasons

Lizzy doesn't understand. Her family seems fractured like never before. And, with a new man in her life, she may finally have to kiss her dream of a reunion with David goodbye. By the time the Walters gather at Keeper House for a summer wedding, the stakes have never been higher—for Lizzy, for her family, and for love.
