I'm Thankful for My Family Minear Adventure Journals,2019-10-03 Start a new family tradition this Thanksgiving! Thanksgiving is a time to sit down with friends and family to reflect on the blessings you have been given each year. For years, my family has the tradition where everyone at Thanksgiving dinner writes down what they are thankful for that year. We take turns reading what everyone has written between the main course and dessert. This book was created so we can have a record of what everyone writes each year. This gratitude journal will become a family keepsake as you bring it after every year, over and over again. Each year the friends and family you share the holiday with will sign the journal. They can record any births, marriages, graduations, and other life moments that occurred during the last year. They can also write down what they are thankful for this year. Every Thanksgiving your guests will enjoy looking back at entries from previous years in this journal. This journal makes the perfect gift for young families. Imagine the joy they will have looking back through this journal years from now as their children have grown up and moved on to start their own families! Their children will be able to read the journal with their own kids showing them entries they made when they themselves were a child. For each Thanksgiving you will be able to record: A list of the people you shared Thanksgiving with each year Life moments that occurred during the past year Gratitude reflections from all your guests
