Feathers from My Nest Beth Moore,2005 Beth Moore is widely known and respected as an engaging and effective speaker, Bible teacher, and best-selling author. *Feathers from My Nest* reveals a more contemplative and personal side of Beth, very much in the spirit of her *Things Pondered*. *Feathers from My Nest* is a collection of vignettes, as Beth reflects on items belonging to her daughters who have left the nest for college. As she ponders each item, rich in memories, Beth draws from its spiritual significance. This book not only tugs gently on the sentimental heartstrings of parents, it also reminds us all of the gift of grace children offer our lives every day.

Happy Mother's Day Ali Parnian,2019-05-04 The Mother's Day Forever Greeting Card(TM) is the perfect BookCard(TM) for that special mother in your life, and not just for this Mother's Day but all Mother's Days through the end of this century. You see, purchasing one BookCard(TM) can be used again and again because there is a page for you to add a new Mother's Day message each year through the year 2100. You can keep years of Mother's Day messages of love, gratitude and appreciation in one place to cherish for years and that is just the beginning. The author of this book learned the hard way that not taking the time to purchase a greeting card for his wife on Mother's Day resulted in a much more costly gesture in order to make amends for his oversight. This would never have been an issue for him had he purchased a Forever Greeting Card(TM). Other benefits of purchasing a Forever Greeting Card(TM) for Mother's Day include: -SAVE MONEY: Over the course of 50 years you would spend \$250 if you bought 50 cards that cost \$5 each.-SAVE TIME: You can get a Forever Greeting Card(TM) delivered to most places within a few days.-STAY RELEVANT: People typically don't throw books away so your ForeverGreetingCard(TM) will likely end up on a bookshelf or coffee table.-ENVIRONMENTALLY FRIENDLY - Forever Greeting Cards(TM) are environmentally friendly. Cards purchased for Mother's Day over the course of 50 years produce much more paper waste and leave a larger carbon footprint due to driving to and from stores than having one book delivered to your door that can be used for years and recycled.-GET CREATIVE - Adults and kids enjoy drawing and making creative images on these cards.-SEE TRENDS - Recipients can see trends over time in how your love for them has grown, diminished

or changed over the years.
