[The Scandinavian Home](#) Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

Furniture Hacks Hester van Overbeek, 2015-08-13 Discover how to update and repurpose homeware and furniture for an effortlessly chic home. Nowadays, it is easy to find affordable furniture for your home from chain stores, but those pieces can lack character. This is where furniture hacking comes in—updating, repurposing, and personalizing to create stylish, unique masterpieces. Here, Hester van Overbeek shows you 35 ways to update your home accessories, soft furnishings, and even wooden furniture, all with step-by-step photos to guide you along the way. Projects range from simpler ideas, such as a table made from stacked old magazines or a patchwork rug, created by sewing small inexpensive mats together, to ways to create larger pieces for a fraction of the price it would cost to buy them new. Discover how to make your own four-poster bed by combining a budget bed base and pieces of reclaimed wood, or convert a bookcase into a sideboard. There are five chapters—Living Room, Kitchen and Dining Room, Bedroom, Home Office, and Outdoor Space—and each one includes an “instant update” idea for beginner upcyclers, too. Why not paint cutlery handles with nail polish to update them, or make your own bedside light simply using a shelf support? Hester's philosophy is that you don't need much money or many DIY

skills to make your house into a cozy, stylish home. With the right inspiration, you can create something beautiful.
