Midworld Alan Dean Foster, 2012-09-11 A jungle planet must defend against exploitative aliens in this novel by the #1 New York Times–bestselling author of *Star Wars: The Force Awakens*. From the rich imagination of science fiction great Alan Dean Foster comes the story of Midworld, a Humanx Commonwealth planet that's equally fragile and hostile. Covered by a lush rainforest, Midworld is home to a primitive society that lives in harmony with the natural world. But the arrival of an exploitative human company, whose workers know nothing of Midworld's delicate ecosystem, sparks a conflict. Should Midworld's villagers aid the humans or stand against them? The hero of Foster's addictive page-turner, Born, decides to lead two humans across the perilous jungle. His choice propels Midworld toward annihilation—and leads him headlong into a battle for survival.

I Know Why the Caged Bird Sings Maya Angelou,2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou’s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

Now an evil rich man was out to kidnap the minidrag for his personal zoo, and Flinx and Pip were on the run again—this time into uncharted space, on a random course they hoped would foil their pursuers. They found more than they bargained for when they landed on Midworld, a verdant planet covered by an immense jungle, hosting an incredible variety of plant and animal

life—all of it unknown and all of it deadly. And now they were in real trouble. Their hiding place was in danger of discovery, and their only hope lay with this bizarre and untamed planet . . . if it didn't kill them first!

Shallow Graves Donna R. Love,2013-02 *Shallow Graves* is written by rock veteran and Texas music prophet Goat Carson. This is a madcap horror dramedy with a flavor all its own. Hip, provocative, and wickedly playful, *Shallow Graves* follows a world-weary horror movie researcher as he stumbles into powerful secrets of the occult and profound mysteries of mankind...but just wants to stay alive. Clever, satirical, and thrilling, *Shallow Graves* has vivid fun with the idea that destiny and salvation can belong to the most reluctant and unlikely heroes. Set in Hollywood and the Hamptons during the dead end of the 70's, *Shallow Graves* is a satirical retelling of the Parsival Legend. Our Holy Fool is the Professor, a half-breed orphan, who does research for horror films. He finds himself pitted against a cabal of satanic cults all vying for control of the clans at the great Feast of the Beast. Movie Stars, human sacrifice, East Hampton society and the living dead are strung together by thread of coincidence with needle sharp wit. The occult pulp fictions of our times are turned on their heads (the Spear of Destiny was stolen by Houdini at the turn of the century; Magdalene was black.) This dark satire on Hollywood, The DaVinci

Code and The State of the Nation is a must read for all true fans of the bizarre.
