## DP Hallahan

**Lucky** Marissa Stapley, 2021-04-06 REESE'S BOOK CLUB PICK A thrilling roller-coaster ride about a heist gone terribly wrong, with a plucky protagonist who will win readers' hearts. What if you had the winning ticket that would change your life forever, but you couldn't cash it in? Lucky Armstrong is a tough, talented grifter who has just pulled off a million-dollar heist with her boyfriend, Cary. She's ready to start a brand-new life, with a new identity—when things go sideways. Lucky finds herself alone for the first time, navigating the world without the help of either her father or her boyfriend, the two figures from whom she's learned the art of the scam. When she discovers that a lottery ticket she bought on a whim is worth millions, her elation is tempered by one big problem: cashing in the winning ticket means she'll be arrested for her crimes. She'll go to prison, with no chance to redeem her fortune. As Lucky tries to avoid capture and make a future for herself, she must confront her past by reconciling with her father; finding her mother, who abandoned her when she was just a baby; and coming to terms with the man she thought she loved—whose dark past is catching up with her, too. This is a novel about truth, personal redemption, and the complexity of being good. It introduces a singularly gifted, multilayered character who must learn what it means to be independent and honest...before her luck runs out.

*Happy-Go-Lucky* David Sedaris, 2022-05-31 David Sedaris, the “champion storyteller,” (Los Angeles Times) returns with his first new collection of personal essays since the bestselling *Calypso* Back when restaurant menus were still printed on paper, and wearing a mask—or not—was a decision made mostly on Halloween, David Sedaris spent his time doing normal things. As *Happy-Go-Lucky* opens, he is learning to shoot guns with his sister, visiting muddy flea markets in Serbia, buying gummy worms to feed to ants, and telling his nonagenarian father wheelchair jokes. But then the pandemic hits, and like so many others, he’s stuck in lockdown, unable to tour and read for audiences, the part of his work he loves most. To cope, he walks for miles through a nearly deserted city, smelling only his own breath. He vacuums his apartment twice a day, fails to hoard anything, and contemplates how sex workers and acupuncturists might be getting by during quarantine. As the world gradually settles into a new reality, Sedaris too finds himself changed. His offer to fix a stranger’s teeth rebuffed, he straightens his own, and ventures into the world with new confidence. Newly orphaned, he considers what it means, in his seventh decade, no longer to be someone’s son. And back on the road, he discovers a battle-scarred America: people weary, storefronts empty or festooned with Help Wanted signs, walls painted with graffiti reflecting the contradictory messages of our time: Eat the Rich. Trump 2024. Black Lives Matter. In *Happy-Go-Lucky*, David Sedaris once again captures what is most unexpected, hilarious, and poignant about these recent upheavals, personal and public, and expresses in precise language both the misanthropy and desire for connection that drive us all. If we must live in interesting times, there is no one better to chronicle them than the incomparable David Sedaris.

*Lucky* Alice Sebold, 2009-09-22 The timeless, fearless, #1 New York Times bestselling memoir from the author of *The Lovely Bones*—a powerful account of her sexual assault at the age of eighteen and the harrowing trial that followed, now with a new afterword by the author. In a memoir hailed for its searing candor, as well as its wit, Alice Sebold reveals how her life was transformed when, as an eighteen-year-old college freshman, she was brutally raped and beaten in a park near campus. What ultimately propels this chronicle of sexual assault and its aftermath is Sebold’s indomitable spirit, as she fights to secure her rapist’s arrest and conviction and comes to terms with a relationship to the world that has forever changed. With over a million copies in print, *Lucky* has touched the lives of a generation of readers. Sebold illuminates the experience of

trauma victims and imparts a wisdom profoundly hard-won: “You save yourself or you remain unsaved.” Now reissued with a new afterword by the author, her story remains as urgent as it was when it was first published more than twenty years ago.
