Ultralearning Scott H. Young, 2019-08-06 Now a Wall Street Journal bestseller. Learn a new talent, stay relevant, reinvent yourself, and adapt to whatever the workplace throws your way. Ultralearning offers nine principles to master hard skills quickly. This is the essential guide to future-proof your career and maximize your competitive advantage through self-education. In these tumultuous times of economic and technological change, staying ahead depends on continual self-education—a lifelong mastery of fresh ideas, subjects, and skills. If you want to accomplish more and stand apart from everyone else, you need to become an ultralearner. The challenge of learning new skills is that you think you already know how best to learn, as you did as a student, so you rerun old routines and old ways of solving problems. To counter that, Ultralearning offers powerful strategies to break you out of those mental ruts and introduces new training methods to help you push through to higher levels of retention. Scott H. Young incorporates the latest research about the most effective learning methods and the stories of other ultralearners like himself—among them Benjamin Franklin, chess grandmaster Judit Polgár, and Nobel laureate physicist Richard Feynman, as well as a host of others, such as little-known modern polymath Nigel Richards, who won the French World Scrabble Championship—without knowing French. Young documents the methods he and others have used to acquire knowledge and shows that, far from being an obscure skill limited to aggressive autodidacts, ultralearning is a powerful tool anyone can use to improve their career, studies, and life. Ultralearning explores this fascinating subculture, shares a proven framework for a successful ultralearning project, and offers insights into how you can organize and execute a plan to learn anything deeply and quickly, without teachers or budget-busting tuition costs. Whether the goal is to be fluent in a language (or ten languages), earn the equivalent of a college degree in a fraction of the time, or master multiple tools to build a product or business from the ground up, the principles in Ultralearning will guide you to success.

What I Like About You Marisa Kanter,2020-04-07 Can a love triangle have only two people in it? Online, it can...but in the real world, its more complicated. In this debut novel that's perfect for fans of Jenny Han and Morgan Matson, Marisa Kanter hilariously and poignantly explores what happens when internet friends turn into IRL crushes. Is it still a love triangle if there are only two people in it? There are a million things that Halle Levitt likes about her online best friend, Nash. He's an incredibly talented graphic novelist. He loves books almost as much as she does. And she never has to deal with the awkwardness of seeing him in real life. They can talk about anything... Except who she really is. Because online, Halle isn't Halle—she's Kels, the enigmatically cool creator of One True Pastry, a YA book blog that pairs epic custom cupcakes with covers and reviews. Kels has everything Halle doesn't: friends, a growing platform, tons of confidence, and Nash. That is, until Halle arrives to spend senior year in Gramps's small town and finds herself face-to-face with real, human, not-behind-a-screen Nash. Nash, who is somehow everywhere she goes—in her classes, at the bakery, even at synagogue. Nash who has no idea she's actually Kels. If Halle tells him who she is, it will ruin the non-awkward magic of their digital friendship. Not telling him though, means it can never be anything more. Because while she starts to fall for Nash as Halle...he's in love with Kels.

Leading With Emotional Courage Peter Bregman, 2018-06-05 The Wall Street Journal bestselling author of 18 Minutes unlocks the secrets of highly successful leaders and pinpoints the missing ingredient that makes all the difference You have the opportunity to lead: to show up with confidence, connected to others, and committed to a purpose in a way that inspires others to follow. Maybe it's in your workplace, or in your relationships, or simply in your own life. But great leadership—leadership that aligns teams, inspires action, and achieves results—is hard. And what makes it hard isn't theoretical, it's practical. It's not about knowing what to say or do. It's about whether you're willing to experience the discomfort, risk, and uncertainty of saying or doing it. In other words, the most critical challenge of leadership is emotional courage. If you are willing to feel everything, you can do anything. *Leading with Emotional Courage*, based on the author's popular blogs for Harvard Business Review, provides practical, real-world advice for building your emotional courage muscle. Each short, easy to read chapter details a distinct step in this emotional "workout," giving you grounded advice for handling the difficult situations without sacrificing professional ground. By building the courage to say the necessary but difficult things, you become a stronger leader and leave the "should've's" behind. Theoretically, leadership is straightforward, but how many people actually lead? The gap between theory and practice is huge. Emotional courage is what bridges that gap. It's what sets great leaders apart from the rest. It gets results. It cuts through the distractions, the noise, and the politics to solve problems and get things done. This book is packed with actionable steps you can take to start building these skills now. Have the courage to speak up when others remain silent Be stable and grounded in the face of uncertainty Respond productively to opposition without getting distracted Weather others' anger without shutting down or getting defensive *Leading with Emotional Courage* coaches you to build your emotional courage, exercise it effectively, and create an environment in which people around you take accountability to get hard things done.

Finish Jon Acuff, 2018-12-04 #1 Wall Street Journal bestseller! Jon Acuff, New York Times best-selling author of *Do Over*, *Quitter*, and *Start*, offers strategies for anyone who's ever wondered, Why can't I finish what I started? According to studies, 92 percent of New Year's resolutions fail. You've practically got a better shot at getting into Juilliard to become a ballerina than you do at finishing your goals. For years, I thought my problem was that I didn't try hard enough. So I started getting up earlier. I drank enough energy drinks to kill a horse. I hired a life coach and ate more superfoods. Nothing worked, although

I did develop a pretty nice eyelid tremor from all the caffeine. It was like my eye was waving at you, very, very quickly. Then, while leading a thirty-day online course to help people work on their goals, I learned something surprising: The most effective exercises were not those that pushed people to work harder. The ones that got people to the finish line did just the opposite—they took the pressure off. Why? Because the sneakiest obstacle to meeting your goals is not laziness, but perfectionism. We're our own worst critics, and if it looks like we're not going to do something right, we prefer not to do it at all. That's why we're most likely to quit on day two, "the day after perfect"—when our results almost always underperform our aspirations. The strategies in this book are counterintuitive and might feel like cheating. But they're based on studies conducted by a university researcher with hundreds of participants. You might not guess that having more fun, eliminating your secret rules, and choosing something to bomb intentionally works. But the data says otherwise. People who have fun are 43 percent more successful! Imagine if your diet, guitar playing, or small business was 43 percent more successful just by following a few simple principles. If you're tired of being a chronic starter and want to become a consistent finisher, you have two options: You can continue to beat yourself up and try harder, since this time that will work. Or you can give yourself the gift of done.

53 Teen Tips David Bettge, 2014-03-01 53 Teen Tips contains short but yet practical ideas for teenagers. These tips will not only assist in surviving the potentially volatile teenage years, but help them thrive and prepare for the real world as an adult. Topics include: Positive Thinking, Happiness and Relationships, Fear and Guilt, Money and Success, Self Respect, Friends, and much more. I had a really good time writing this book. All of the topics are the little things I've discussed with my own kids when dealing with issues. I'm no doctor, psychiatrist, counselor, or self-help guru. I'm just a dad who wants to share what I've learned. I've personally lived life on both sides of the spectrum. In what seems like a different lifetime, I've been down and out, miserable, depressed, financially broke, spiritually bankrupt, and struggled with addictions. I spent well over a decade of my life wondering if my suffering would ever end. Things are much different today and have been for quite some time. Coming to understand many of the ideas in this book was key for the shift that took place in my own life. There is little doubt in my mind that if a kid can master a majority of the ideas talked about in this book; they'll be on their way to living the fruitful and satisfying life we all desire. This was my motivation behind this writing.

Getting Things Done David Allen, 2015-03-17 The book *Lifhack* calls *The Bible of business and personal productivity*. The Artist's Way Julia Cameron, 2002-03-04 With its gentle affirmations, inspirational quotes, fill-in-the-blank lists and tasks — write yourself a thank-you letter, describe yourself at 80, for example — *The Artist's Way* proposes an egalitarian view of creativity: Everyone's got it.—The New York Times Morning Pages have become a household name, a shorthand for unlocking your creative potential—Vogue Over four million copies sold! Since its first publication, *The Artist's Way* phenomena has inspired the genius of Elizabeth Gilbert and millions of readers to embark on a creative journey and find a deeper connection to process and purpose. Julia Cameron's novel approach guides readers in uncovering problems areas and pressure points that may be restricting their creative flow and offers techniques to free up any areas where they might be stuck, opening up opportunities for self-growth and self-discovery. The program begins with Cameron's most vital tools for creative recovery - The Morning Pages, a daily writing ritual of three pages of stream-of-conscious, and The Artist Date, a dedicated block of time to nurture your inner artist. From there, she shares hundreds of exercises, activities, and prompts to help readers thoroughly explore each chapter. She also offers guidance on starting a "Creative Cluster" of fellow artists who will support you in your creative endeavors. A revolutionary program for personal renewal, *The Artist's Way* will help get you back on track, rediscover your passions, and take the steps you need to change your life.

101 Tips for Graduates Susan Morem,2009 A motivational guide for young people entering the business world for the first time.

Brightly Burning Alexa Donne,2018-05-01 “One of the most anticipated YA debuts of 2018, *Brightly Burning* is a gothic, romantic mystery with hints of *Jane Eyre*, *Marissa Meyer*, and *Kiera Cass*.” —*Entertainment Weekly* “*Brightly Burning* delivers a brooding gothic mystery and a swoony romance, all set in space. Donne’s atmospheric, twisty update of a cherished classic will keep you up late into the night!” —Elly Blake, NYT bestselling author of the *Frostblood Saga* *Stella Ainsley* leaves poverty behind when she quits her engineering job aboard the *Stalwart* to become a governess on a private ship. On the *Rochester*, there’s no water ration, more books than one person could devour in a lifetime, and an AI who seems more friend than robot. But no one warned *Stella* that the ship seems to be haunted, nor that it may be involved in a conspiracy that could topple the entire interstellar fleet. Surrounded by mysteries, *Stella* finds her equal in the brooding but kind nineteen-year-old Captain *Hugo*. When several attempts on his life spark more questions than answers, and the beautiful *Bianca Ingram* appears at *Hugo*’s request, his unpredictable behavior causes *Stella*’s suspicions to mount. Without knowing who to trust, *Stella* must decide whether to follow her head or her heart. Alexa Donne’s lush and enthralling reimagining of the classic *Jane Eyre*, set among the stars, will seduce and beguile you.

Talent Juliet Lapidos,2019-01-22 A clever and delightfully complicated debut...Each bend in this story raises more questions than are answered, in the best of ways and right to the end.—*San Francisco Chronicle* Any student of narrative would agree that *Anna Brisker*, former star of the English department, should be on the brink of a brilliant academic career. But at twenty-nine, *Anna* is aimless, indolent, nearing the eighth year of her PhD and unable to finish her dissertation, an intellectual history of inspiration. (No, the irony is not lost on her.) *Anna* encounters a potential solution to her stasis in the form of *Helen Langley*, a magnetic, free-spirited woman who's the niece of the late, legendary writer *Frederick Langley*. Having published three classics in his youth, *Freddy* fell silent, and the literary world assumed he never wrote again. But *Helen* confides to *Anna* that he kept secret notebooks in his later years, notebooks that *Helen* might be willing to show *Anna*. As her fascination with *Freddy* (and *Helen*) blooms into obsession, *Anna* finds herself falling prey to fatal misreadings - of herself and others. A sly and playful unpacking of the cult of the artist that excoriates academia with devilish glee, *Talent* brings the pressures of the 21st century to bear on the classic campus novel, weaving a twisty, brainy, wickedly hilarious story about our desperate need to believe that we understand...anything. One of the Most Anticipated Books of the Year -- *LitHub*, *The Millions*, *Thrillist*, *Entertainment Weekly*

Winning the Contractor Fight Tom Reber,2021-09-14 *The Contractor Fight* is what HGTV host and best-selling author Tom Reber calls the battle between your ears. We all have stories and experiences that have formed us into who we are. We are what we think, and the battleground is our mind. The Fight is not with the people you think are cheap customers. It's not

with the unlicensed competitors or the illegals, as many contractors think. The Fight is with yourself. Sadly, most of the struggles contractors have are self-imposed. It's friendly fire. The negative ways we think about ourselves and our worth... friendly fire. The growing debt, working too much, small bank account... friendly fire. Winning the Fight is a choice. You're noble and full of integrity. You bend over backward to serve your family and clients. You have taken it on the chin more times than you can count. Now, it's time to get yours. Earn what you're worth. Create a business that serves you and energizes you, instead of one that beats you down. Choose to own your crap and get better today.
