America the Beautiful Allie Vane,2018-06-29 The American experience stirred mankind from discovery to exploration, from the cautious quest for what they knew (or what they thought they knew) was out there, to an enthusiastic reaching to the unknown. -- Daniel J. Boorstin A blend of stress-busting, kaleidoscopic patterns (many of them running along starry lines) and a selection of quotes from the Founding Fathers that you can also color in as you please, 'America the Beautiful' is a special edition coloring book in celebration of Americas Birthday. (This may be a bit of an odd admission to make -- although its not like any of us associate the Fourth of July with coloring of all things -- but beyond the outright celebration, this book is also about 10 % born of spite. Because no, America is not just a piece of land. No Country is just land, and certainly not America.) As with all my coloring books, 'America the Beautiful' is meant to be something that can help you take a few minutes out of your busy day to unplug, unwind, and undo some of the stresses and worries that life throws at you. Just with bonus inspiration from America's Founding Fathers and some of their pithiest words. The great thing about coloring is, it helps you focus on nothing, which is a sneaky way for you to actually focus on yourself. The great thing about inspirational quotes is, even hundreds of years old, they can be amazing food for thought. And the great thing about the Founding Fathers -- well, that need not be said! Give it a shot. Let yourself be inspired. Grab 'America the Beautiful' now and have yourself a colorful July!
