Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Personal Finance Strategies Robert Anderson,2020-02-05 Do you owe too much money? Are your debts crushing your spirit, embarrassing you, and stressing you out? You're not alone. The good news is that you can fix that. And this book will show you how. The debt trap is a serious problem. Who is in her, has a real problem. But most people react like rabbits to

snakes: they just stand there paralyzed and do nothing until they are eaten. Keep a clear head and always tell yourself: There is nothing that can not be solved. You have to get out of your own rigidity and tackle the problem before it eats you. As usual in life, every problem also offers a chance to do better. You just have to analyze it clearly. When I have a mountain of debt, I have to part with things and habits that have become dear. Of course, it is difficult for those who have always sat only at the fleshpots, now only to be allowed to spoon the soup. But this is the way out of the debt trap, and you want to get out of it. You're about to learn time-tested strategies for winning your battles with debt. And I'm also going to share with you some strategies for increasing your income, as well as some important precautions you can take to minimize the risk of unforeseen events ruining your plans.

The Seven Acts Malcolm Strand,2019-06 Sixteen year-old Michael Beatrice Evans of Normal, Idaho has a problem. He's reckless. He's arrogant. And he's too smart for his own good. He's also \$20,000 in the hole after betting on Super Bowl XLIX. But Michael's got a scheme to fix all that. With the help of his brother and four friends, he quietly starts counterfeiting Dilly Bar coupons - selling the purchased ice cream for profit. Everything's going according to plan. And then all hell breaks loose. This is a story of friends and enemies, crime and punishment, love and loss. This is a dark satire, an ultra-violent thriller, an apocalyptic legend . . . this is *The Seven Acts*.

Finding His Love Brynn Paulin,2022-02-27 I fell in love. She ghosted me. I'm not going away, though. When I got sent to New York for spring break, I wasn't thrilled. I know. Oh poor me. Thing is, I had other plans. Then I met Willa and everything I thought I knew about my life changed. My entire purpose for living became her. But she disappeared—though not before telling me she had someone back home and this was a fling. I saw red. She's mine and that's that! Only... My parents have debutantes waiting in the wings for me. A family like mine? You marry for power, not for love. I have until graduation to come to terms with "the plan." Then I find Willa and everything changes again. I won't be falling in line. I've already fallen for Willa. And that guy she had back home? He doesn't exist. She just doesn't believe long-distance relationships can ever work. How can I convince her we will survive, and we won't ever be apart for long? Any way I can. CHALLENGE ACCEPTED.

Pants On Fire Lacey Black, 2020-03-26 CricketSuccess is what you make of it. That's my motto and the premise of my speech; the one I'm heading back to Southern Illinois University to give at my college alumni reunion. As the morning co-host of Good Morning, San Francisco, I was asked to be one of the keynote speakers, and while I'm honored to do so, there's only one problem. The other speaker is Danny Ohara, my former boyfriend. Throw in an issue with my credit card that leaves me stuck at the airport, no rental car in sight, until a familiar face appears like a guardian angel in sexy black glasses. Here's my dilemma with my attraction to Rueben Rigsby, my airport savior and old friend from college: I'm not supposed to be attracted to him. At all. He's my ex's former roommate. Yet that doesn't stop my big mouth from lying about the status of our relationship when we come face-to-face with said former roommate. As in, we have one. Together. Rueben I don't know why I agreed to come back to SIU for the alumni reunion, but I'm damn sure glad I did. When I found the familiar face stranded at the airport, I readily agreed to give her a ride. It's great to catch up with Cricket Hill, as we make our way back to the place we ultimately met. What I'm not prepared for is this overwhelming attraction I feel for her. I'm not supposed to notice how amazing her butt looks in a pair of black yoga pants. She's a friend. Period. But Cricket has other plans. When she lies about our budding relationship to my former roommate and her ex, I have no choice but to go along with it to save face. I have to pretend to be her boyfriend. I mean, it's one little white lie, right? Wrong.

Green Magazine Ken Kurson,1998-03-16 Straight-up, jargon-free advice on personal finance for those made nauseous by the phrase personal finance. What the hell's a stock? A bond? A mutual fund? And why do I need to know? Is it better to start investing, or pay off that lingering credit card balance? Should I borrow money to buy a bungalow? A Jaguar? A jalopy? How? What's so great about compound interest anyway? Is the price of this book tax-deductible? The Green Magazine Guide to Personal Finance answers these questions and provides savvy, sensible money advice for anyone who doesn't want to wade through lots of b.s. Ken Kurson, editor of the critically acclaimed Green magazine, demystifies all types of personal financial matters--investing, retirement planning, credit card debt, student loans, first-time home buying, insurance, taxes--as well as providing valuable information on learning to live within your means, dealing with deadbeat roommates or spendthrift boyfriends, and putting on a cheap wedding. Ken Kurson's engaging yet always pragmatic money-speak is enlivened with real-life examples, pie charts, comics, and dead-on humor. His advice doesn't always sound like Dad's, but it's every bit as solid. The Green Magazine Guide is the only book that speaks to all those who are cynical, intimidated, or simply flummoxed about money matters.

The Lightmaker's Manifesto Karen Walrond,2021-11-02 Karen Walrond shines her light so we can find our own. —Brené Brown Many of us have strong convictions. We want to advocate for causes we care about--but which ones? We want to work for change--but will the emotional toll lead to burn out? Leadership coach, lawyer, photographer, and activist Karen Walrond knows that when you care deeply about the world, light can seem hard to find. But when your activism grows out of your joy--and vice versa--you begin to see light everywhere. In *The Lightmaker's Manifesto*, Walrond helps us name the skills, values,

and actions that bring us joy; identify the causes that spark our empathy and concern; and then put it all together to change the world. Creative and practical exercises, including journaling, daily intention-setting, and mindful self-compassion, are complemented by lively conversations with activists and thought leaders such as Valarie Kaur, Brené Brown, Tarana Burke, and Zuri Adele. With stories from around the world and wisdom from those leading movements for change, Walrond beckons readers toward lives of integrity, advocacy, conviction, and joy. By unearthing our passions and gifts, we learn how to joyfully advocate for justice, peace, and liberation. We learn how to become makers of light.

Garden Club Secrets Vicki Baylis, 2019-01-17 Welcome to Depot, Mississippi. You will see a town peppered with white picket fences, a church on almost every corner, and the most friendly, down-to-earth people around. If you stay long enough, you will feel right at home, but if you break the law, you will run into its best kept secret the Garden Club. Depot's Garden Club was a group in plain sight and yet invisible at the same time. Whether one needed a cup of sugar, fashion advice, or help burying a body, you can always count on these women to keep the town running smoothly. If you don't believe it, just ask Maybelle Pickett. She was known for one thing and one thing only gossip. In fact, she was downright good at it. If you wanted to know anything about anybody in her town, all you needed to do was sit on her front porch and rock a spell. There are always three sides to every story. In Depot, Mississippi, it depends on who you ask. If you want the facts, ask the townspeople. If you want a juicy story, ask Maybelle Pickett. But if you want the truth, you will need to wait for the rose.
